

ON THE WATER

Continued from page 2

crew got wet but luckily it was a warm day. We didn't see any evidence of recent beaver activity. This little trip has become something of an annual event so The specific day and time is variable My first fishing buddy was my Dad. as we stood on the shore of Flax Pond in knowledge to the test, I managed a decent Specific details are fuzzy but I do sunfish. I was pretty excited...as was my of fishing and the outdoors. Little did I sharing many fishing trips to various Plum Island and Tripp Lake. My folks the camp and continued until my mother's sible. The visits always included a good for smallmouths. He loved this lake with

John Lundstedt, Rick's dad, on Tripp Lake with a whopper!

if you want to join in, let me know. since good weather is a key ingredient! He gave me all the requisite instructions Lynn. Eager to put my new-found cast for a 5 year old (it hit the water!) remember eventually catching a teacher! From that seed came my love know that my Dad and I would be locations. Two of his favorites were came up frequently when we first got health rendered the long ride impos- dose of fishing, particularly in the spring the same fervor as his son.

I have a lot of fishing buddies but my favorite will always be Dad. He made his last cast July 11, 2006.
