

50/50 RAFFLE RESULTS

This year we held a 50/50 Raffle to benefit TLIA instead of offering 20 prizes to hopeful ticket holders. The Board felt that we should do something different; the same few people had been soliciting donations from area businesses for years and it was time for a change.

The winner of the raffle was **Betty Harvey** who left on a vacation trip \$350 richer than she had planned.

The Falls Gift Shop in Mechanic Falls also donated, without request, five \$15 gift certificates. The winners were **Claire Chesley, Harriet Doolittle, Audrey Niskanen, George Kelley and Barbara Martin.**

Congratulations to all!

Raffle co-chairs, Dick and Peg Harris, listen attentively to lake reports.
